RECIPE FOR BRINGING WINTER INDOORS

The staff at the **Fantasyland Employee Cafeteria** put together the perfect recipe last Thursday, as they mixed up a little Northern winter weather, flavored it with the mountains, and poured it all over their restaurant just for you to enjoy. They called their special recipe "January Jubilee" and it looks like we'll be seeing more of it!

It all started with an idea to theme the cafeteria . . . food and service personnel alike . . . one day each month. And the opening choice was a winter-like January mountain setting.

Plaudits go to the **cafeteria staff** who spent the early morning hours preparing such dinner specialties as Yankee Pot Roast, Rhode Island Red, Maine Manhandler, sweet potatoes and other not-so-cafeteria fare. Special punch was brought in, as well as a popcorn wagon right off Main Street, which proved an instant success!

Then came the usual excellent decorating job performed by none other than our **Decorating Department**, as they built a giant snowman standing in front of slowing falling flakes, added a touch of white fluff here and there, all creating the look and feel of a New England resort.

The **Snow Skiing Club** set up ski movies as well as a sprinkling of posters across the walls, and proved for once that more people are interested in seeing good movies than watching soap operas!

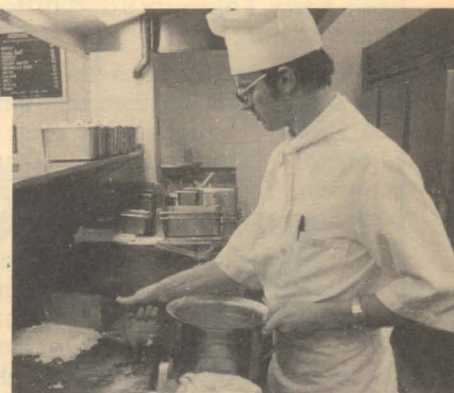

And topping it all off was **Mother Nature**, who provided temperatures dropping into the low 30's that morning, bringing everyone indoors wearing their heavy coats and toboggan hats . . . to be greeted by the Fantasyland Cafeteria staff wearing themed winter ski outfits especially chosen to help celebrate "January Jubilee" that day!

Although our Fantasyland Cafeteria staff is planning more of these monthly parties to say "thanks" for your patronage, they spend **each day working hard for you**. The staff works around the clock to give you the very best and freshest menu possible.

Each evening the third shift arrives between 11:30 p.m. and midnight. Since the cafeteria is only open from **3 a.m. to 10 p.m.**, they spend the first few hours on "prep work", preparing salads, carving the meat which arrives around midnight for the next day, cutting and wrapping fresh cakes and pies and beginning breakfast preparations including making pancake and french toast batter and scrambling dozens of fresh eggs.

When the cafeteria opens at 3 a.m., the staff serves freshly prepared breakfast and dinner for our third shift crews, depending on what they're in the mood for! Later in the morning it's breakfast only for our first shift with lunches beginning around 11 a.m. Lunch and dinner is then served to our first and second shift straight through closing at 10 p.m.

So, the next time you enter our Fantasyland cafeteria, remember **you're the guest we do it all for!**

ENTERTAINMENT WORKSHOP HOLDING AUDITIONS

The opportunity to perform at Walt Disney World or Disneyland this summer, while learning from top professionals, is available to local performing arts students through auditions for the **Disney Entertainment Work Experience Program**, to be held **February 12 and 13** at Howard Johnson's in Lake Buena Vista.

A total of 96 college freshmen, sophomores and juniors will be chosen on the basis of talent, experience and potential from live auditions being conducted in major cities across the country.

The program, now in its seventh year, involves three performing groups — the **All-American College Singers**, the **All-American College Marching Band** and the **All-American College Players** — and not only includes the opportunity to perform, but also the chance to learn from accomplished artists in the entertainment industry.

Each program participant will receive three hours of classroom or workshop experience and four to five hours of performance experience each day, five days a week.

In addition to singers and dancers, auditions will be held for trumpet, trombone, French horn, tuba, saxophone (including doubles), piano, guitar, electric bass guitar and percussion (snare drum, bass drum and set drums) instrumentalists.

Though no formal application is necessary, auditioners should bring their own material to perform (3-5 minutes in length). A minimum age of 18 is required for those wishing to audition.

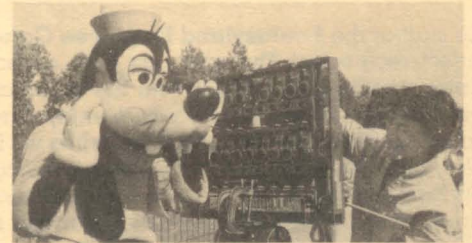

Further information on the Disney Entertainment Work Experience Program may be obtained by calling ext. 4206.

POLAROID: OUR NEWEST PARTICIPANT

Walt Disney Productions recently signed an agreement with **Polaroid** designating them as the official photographic company for both Walt Disney World and Disneyland. Guests to either theme park will be able to take advantage of complete instant photographic service, including Polavision instant movies.

Polaroid plans to set up service centers at both theme parks offering our guests instruction and picture-taking advice. The service centers are to be in operation prior to the Easter holidays.

Polaroid is one of 37 participating companies providing service to guests at both Walt Disney World and Disneyland.

To introduce Polavision, Polaroid representatives have been filming here at Walt Disney World. Since 2000 instant films are needed, Polaroid is using 16 cameras to refilm the park each time.

CHIC HEADLINES VALENTINE'S PARTY

Chic, with their number one hit "Le Freak", joins **K.C. and the Sunshine Band**, **Peaches and Herb**, **Gloria Gaynor** and **Mantra** for the **Valentine's Party**, **February 9 and 10** from 9 p.m. to 1 a.m.

Chic currently tops the record charts with their pop romantic single "Le Freak", which follows on the heels of "Dance, Dance, Dance (Yowsah, Yowsah, Yowsah)", 1978's pop/disco smash.

South Florida's sunshine superstars, K.C. and the Sunshine Band, bring their current hit single "Who Do Ya (Love)" to the Magic Kingdom as part of a popular return engagement.

Crowned "Queen of the Discos" in 1975, Gloria Gaynor's list of world-

wide hits include "Never Can Say Goodbye", "Reach Out, I'll Be There", and "Casanova Brown".

Peaches and Herb currently are riding the Top 40 charts with their single "Shake Your Groove Thing".

Mantra became Central Florida favorites with their summer-long disco stint on the Tomorrowland Stage in the Magic Kingdom.

Tickets are now on sale for \$7.95 per person at all participating Sears stores, Walt Disney World Transportation and Ticket Center and at 2 R's at Walt Disney World Village.

Cast members may purchase special advance-sale discount tickets for \$6.50 per person at Fantasyland Cash Control, Walt Disney World Village Cash Control and at Cast Activities.

CAREER PLANNING & PLACEMENT

Walt Disney World currently has the following positions available:

- **Assistant Supervisor in Laundry** — Applicant should have proven leadership skills. Company experience as a lead or supervisor is preferred. An academic background and some knowledge of laundry and dry cleaning production would also be an asset for this position.
- **Reservationists** — Positions are currently available for individuals with good verbal communication skills and the ability to type 30 wpm.

Anyone interested in these positions should contact **Career Planning and Placement** at extension 5242 during normal business hours.

FOR YOUR BENEFIT

Another benefit available to you as a Walt Disney World cast member is our **Educational Reimbursement Plan**.

You may apply for **75% reimbursement** for specific classes which are directly related to the work you perform, provided you have been on our payroll as a permanent cast member for at least six (6) months.

To be reimbursed, you must enroll in and successfully complete a course offered by any reputable school, college or university. Certain private schools and special courses may also qualify for reimbursement.

To insure reimbursement for a course, applications must be made three weeks prior to registration and/or any payment of fees. By following this procedure, your application may be considered prior to registration and payment of fees.

Educational Reimbursement Applications are available from your Division Training Office or the Disney University in The Center building.

"HUMMELS"

As a result of the increasing demand and limited availability of "Hummel" figurines, plates and bells, the Walt Disney World Village and Magic Kingdom regret that **employee discounts can no longer be honored** on these specific items.

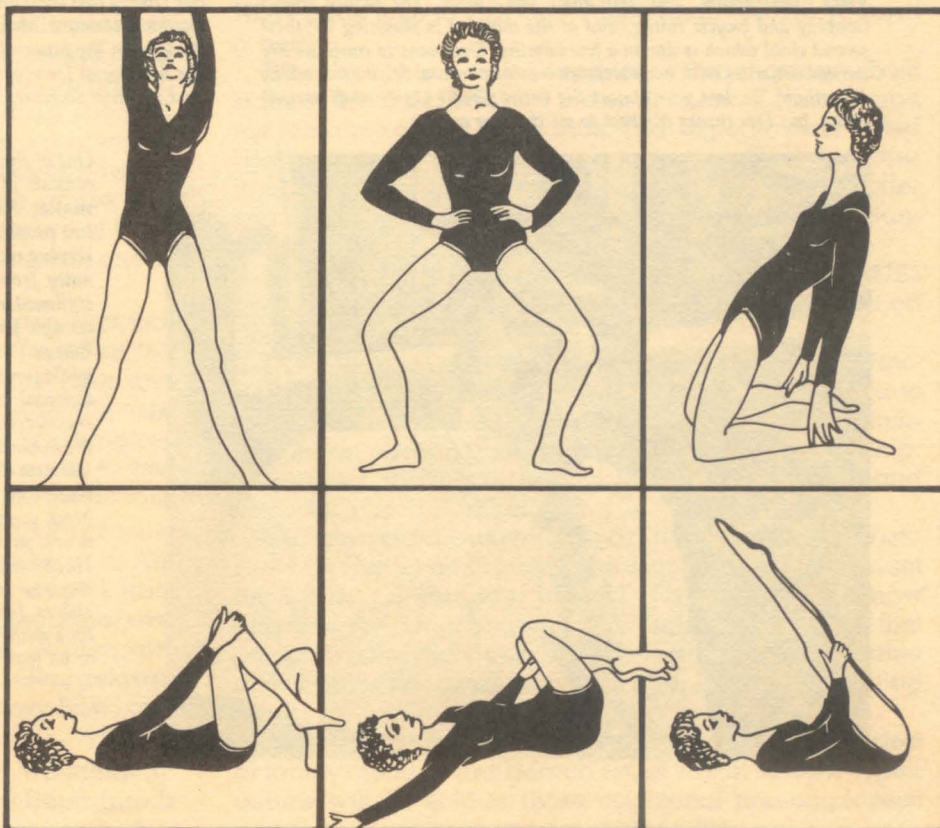

LOOKING YOUR BEST

If you're thinking of your spring wardrobe already, but your body still says you over indulged during Christmas — Think **exercise!**

Winter encourages the hibernating spirit in us, and the tendency is to curl up and get hopelessly out of shape. Listed below is a shape up program that's useful for athletic folks, but can also be useful to the non-athletic. They should be done in sequence to develop muscle tone, strength and overall flexibility.

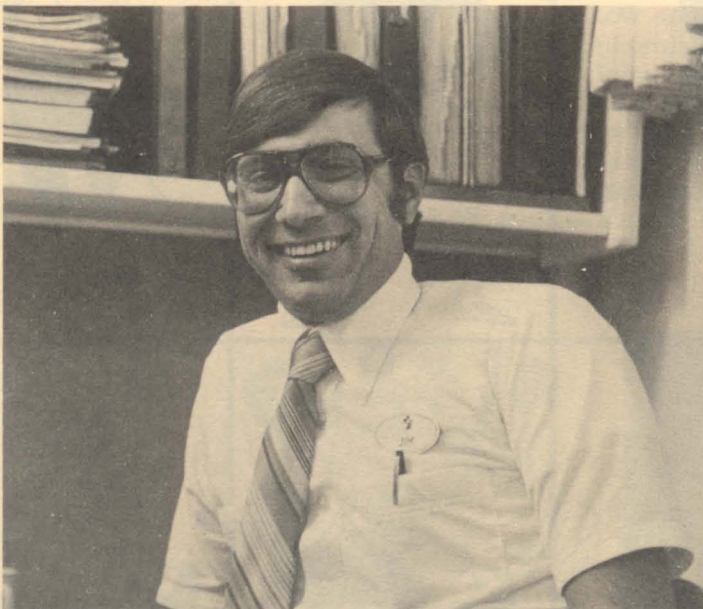

- Stand with feet wide apart, arms extended overhead. Slowly stretch upward, alternating arms. Repeat eight times. Relax arms and repeat. Good for overall upper body, pectorals and wrist.
- Stand with feet wide apart, hands on hips. Slowly bend the knees, keeping soles of feet flat. In this position, bounce up and down four times. Straighten legs and repeat.
- Kneel with knees about 15 inches apart. Lean back and place hands on ankles. Gently bounce forward and back four times. Then lift body until back is straight. Repeat four times. Good for abdomen and thighs.
- Lie with knees bent, soles of feet flat. Pull right knee toward chest four times. Repeat on the left leg. Repeat three times on each side. Good for back, legs and knees.
- Lie flat with legs extended upward. Clasp hands behind knees. Pull legs toward body 12 times. Good for back and hamstrings.
- Lie with knees drawn close to chest. Extend arms to sides at shoulder level, palms down. Roll knees from side to side, keeping shoulders stationary. Repeat 20 times. Good for waist, buttocks and hips.

"It Takes People"

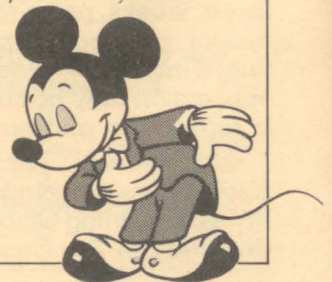

Although she can no longer be considered an "original" cast member, **Dee Baxter** of our Vista Federal Credit Union has been around Walt Disney World for a long time. The first time she was a cast member was when the Magic Kingdom first opened. As a senior at Oak Ridge High School Dee joined the distributive education program, attending class half-days and working as a tour guide the remainder of the day. While she was in that program Dee wrote a manual on Walt Disney World which won her first prize in a distributive education contest and a two-week trip to California. After a few years with Guest Relations, Dee left us for a short time and worked as a bill collector. But she had Disney in her blood and rejoined our cast at the Credit Union, where she is now a loan interviewer. When she's not working Dee spends most of her time with her husband **George**, who is also a member of our cast at Buena Vista Construction, and with their son Carlos. The family enjoys camping and bicycle riding, and at the moment is planning for their second child which is due in a few months. Dee plans to continue her normal activities with one exception . . . our annual St. Patrick's Day Marathon . . . last year almost the entire Credit Union staff participated, but Dee thinks it's best to sit this one out!

A lot of our cast members began their careers at Walt Disney World while still in high school. For **Rose Slater** of Cast Activities, it began while she was a senior at Lakeview High School. Her first position here was as a Casual Regular at Pinocchio Village Haus. After graduation, Rose changed her status to permanent and stayed another three years before transferring to Polynesian Guest Services. She joined the staff in Cast Activities last December and really enjoys meeting all the other cast members who visit the office. Although she was born in Georgia, Rose considers herself a Floridian since she moved here as a tiny baby. Since she's lived in Winter Garden almost all her life, she really enjoys traveling whenever she can. She also said she's an avid sportswoman . . . spectator sports that is . . . and enjoys watching basketball and football! Her favorite pastime is singing. Rose is currently a member of our Disney cast choir and recently sang at our Christmas pageants. She also loves to dance. Most of her free time is spent with her daughter Lora though. In the future Rose would like to return to school and enroll in the Secretarial Development program, eventually qualifying herself as an Executive Secretary.

One of the smallest departments in our Finance Division consists of only two people, one of which is **Jim Hatmaker**. As part of our Property Control area, Jim is one of two people who make up the entire staff of Fixed Assets, keeping records on all our Company assets. Jim was originally from Paris, France. His "service" family was stationed in Europe when he was born, but didn't stay long enough for Jim to learn any foreign languages. From Europe they moved to South Dakota, arriving in Orlando while Jim was still in grade school. After graduation from Colonial High School Jim joined our Theme Park cast, transferring to Property Control in 1973. Once he joined the Finance Division, Jim began attending night classes at Valencia Community College and also prepared himself to receive an associate realtors license. When he wants to break away from his daily routine, Jim prefers the outdoors, particularly boating or a quiet afternoon of fishing. He also enjoys a strenuous game of raquetball with friends. Since he has seven brothers and sisters, Jim spends a lot of his free time with his family, playing cards or on family outings.

CAST ACTIVITIES

CAST ACTIVITIES OFFERING DOUBLE TRAVEL PACKAGE

We've already whetted your appetite with a Las Vegas trip this past Fall and three snow skiing trips this Winter. Now we want to offer you even more . . . a four-day excursion to Washington, D.C., in April and a four-day cruise through the Bahamas in June. Read on for full details of both and how you can join in all the fun!

WASHINGTON, D.C., HERE WE COME!

It's the seat of our nation's government and the seat of most of our historical remembrances. It's **Washington, D.C.**, and we've put together an intensive travel package with a goal of keeping the price down while offering you almost non-stop sightseeing opportunities.

The price is **\$299 per person** (based on double-occupancy) and includes all of the following . . . round-trip air fare from Orlando to Washinton, D.C., four-days use of a guide and tour bus for sightseeing in the city, three-nights hotel accommodations in the heart of the city, two dinners and theater tickets to the JFK Center or another local theater.

Your four-day trip will include visits to the impressive Lincoln, Jefferson and Iwo Jima Marine Memorials, and the National Archives. You'll see the White House and go on to either the Bureau of Engraving or Ford's Theater. Then it's on to Capitol Hill, where you'll get a real inside view of our legislative and judicial branches of government. A committee hearing, sessions of the House and Senate, visits to the Supreme Court and Library of Congress, perhaps even a picture-taking session with one of our Florida congressmen!

Another day will be spent visiting Arlington National Cemetery to watch the Changing of the Guard at the Tomb of the Unknown Soldier, and visit the John and Robert F. Kennedy gravesites. A scenic drive will take you to Mount Vernon, the estate of George Washington. Then you'll have an entire afternoon and evening to visit the museums and galleries of the Smithsonian Institution.

Your last day will be your choice of a variety of tours being offered. You can take a six-hour excursion to Annapolis, home of the U.S. Naval Academy, or pick from four of the following: National Zoo, FBI Headquarters, Kennedy Center for the Performing Arts, Watergate, Washington Monument, Botanic Gardens, Georgetown, National Cathedral, Islamic Center, Embassy Row, and the Shrine of the Immaculate Conception.

We say this trip will be four full days in Washington, because you'll **arrive early** and **leave late!** Departure is from Orlando on **Friday, April 27th**, at 8 a.m., with your

return on **Monday, April 30th**, leaving Washington, D.C., at 7 p.m.

To reserve yourself a seat, just stop by Cast Activities with a \$100 deposit per person. Your deposit is non-refundable after March 1st unless you can be replaced off a waiting list.

These games may start as early as February 8, depending on final games and any make-up game schedule.

The best action last week was another overtime cliff-hanger between Wednesday League leaders Central Foods and Contemporary Housekeeping. This time around, the Housekeepers, with fine outside shooting, came from behind to hand the Central Foods gang their first defeat 61-60.

Here are the scores from the 12th week of play, with each team's won/loss record in parentheses:

This annual race is open to all cast members, with more information to come out soon in **EYES & EARS**. Meanwhile, anyone who's interested should sign up now at Cast Activities for the practice sessions currently being held at the lake Saturdays and Sundays, beginning at 11 a.m.

WHAT IS A "JACKALOUP" AND HOW IS IT CONNECTED WITH SOFTBALL?

Many cast members have recently visited the trophy case located on the 2nd floor of the Center Building outside Cast Activities, and been puzzled by the strange looking head on display in it. So we went to **Thom Murphy** . . . Murph to his friends . . . for an answer.

Murph explained, "A **Jackaloup** is a freak of nature, actually a cross between a large Texas jackrabbit and a small Wyoming antelope. First sighted on the high plains of Wyoming, they are highly prized as trophies because of their unique appearance. That is, the body of a jackrabbit, but the telltale rack of antlers of an antelope. The government only allows a one-shot Jackaloup hunt each year, based out of Douglas, Wyoming, and a very restrictive license limits the harvest. And because of that, a Jackaloup trophy is a rare one to receive."

Which brings us to how it is connected with softball here. Each year, members of our **Spring/Summer Softball Leagues** are eligible to play on the **Women's All-Star Team** and **Men's Hourly Team** against a hard-hitting **Executive Team** in our annual **Hourly/Executive Softball Classic**.

The famous Jackaloup Award on display in The Center.

And members of those two teams vote for the winner of the Annual Jackaloup Award.

This award is given each year to the member of the Executive team who meets the criteria . . . best portrays the philosophies and traditions of Walt Disney, has established the best rapport with their employees, and has a good sense of humor.

Organizational meetings for Spring/Summer Softball Leagues will be announced soon in **EYES & EARS**, and all interested parties are asked to watch for them. And in the meantime, everyone is invited to the Center to view this year's Jackaloup Award in the trophy case.
